15. [ ] ADMINISTRATIVE [ ] OTR, called and asked if we would be able to get a speaker for the Survey and Financial Management Course for 7 January 1976. He said they would like a staffman from the House or Senate Appropriations Committee to speak from 1315 hours to 1415 hours and then either Mr. Cary or Mr. [ ] to speak from 1430 hours to 1500 hours. I told him I would pass this on and we would be back in touch.

16. [ ] ADMINISTRATIVE Talked with Ben [ ] OP, about the personnel case that Jean Lash, in Senator Milton Young's (R., N. Dak.) office, had called me about. I talked with Jean again and she said the situation had taken care of itself and to forget her call.

17. [ ] ADMINISTRATIVE [ ] IC Staff, called to say he had met [ ] a former congressman, who is interested in applying for a position with the Agency. [ ] said he had a resume which he would send to me. I told him I thought [ ] would be too high-powered for the office, but I would look at the resume and possibly talk to [ ]

18. [ ] LIAISON Talked to David Martin, Senate Judiciary Internal Security Subcommittee staff, who asked if we had been able to pull material together for him on the World Peace Council. I said I would check. [ ] is taking care of this.

19. [ ] LIAISON Called Les Janka, NSC staff, and told him the House Select Committee has asked us for a lot of material in connection with SALT. I told him we had been sticking to the rule that committee transcripts belong to the committee, as do memoranda for the record on our briefings, but they have asked for the Director's prepared statements, which belong to the Agency. Janka said he has not been involved in any of this and I should talk to Bud McFarland, NSC. I placed a call to Bud McFarland's office.

22. [ ] LIAISON Called Dorothy Fosdick, Senate Government Operations Permanent Subcommittee on Investigations staff, in response to her call of Friday asking that Carl Duckett, DDS&T, come up to brief Richard Perle, also of that Subcommittee, and her on SALT I and compliance. I told her that Mr. Duckett has a very tight schedule today and asked if the briefing couldn't be given tomorrow morning. She seemed to think we were procrastinating and said they would have to ask Carl if he has to clear his position with the Secretary of State. She said they had asked for and expected to get the briefing today; since she couldn't get it, she assumes that there is some sort of clearance involved. I told her that Carl Duckett has a few other things to do that are as important as her briefing if not more so, and he just did not have the time to arrange it today with the necessary review of material that is involved. I told her that Mr. Duckett was perfectly willing to brief them at 10:30 tomorrow. She finally agreed, but said they would still ask Carl if he had to get clearance from Mr. Kissinger.

23. [ ] LIAISON Called Marian Czarnecki, House International Relations Committee staff, and told him that the Director was sending a letter to Chairman Thomas Morgan (D., Pa.) concerning the leak of his [ ] testimony [ ] before the full House International Relations Committee. I said the Director had no other choice and Czarnecki agreed. He said he would be sure the Chairman focuses on the letter as soon as it arrives.

I asked Czarnecki if he could let us have a copy of the open testimony of Secretary of State Henry Kissinger on 6 November and he said he would make it available.
